NARRATIVE

On 4/7/2016 at approximately 0959 Hours I was on duty in full police uniform at 850 Bryant Street, Hall of Justice, for court administrative purposes when I heard a high priority call for service of a person armed with a knife get broadcasted over my PIC radio.

Dispatch advised that a Latin male adult, late 30-40's, medium built, 5'8", red soccer shirt and blue jeans appeared to be mentally disturbed. The subject was on Shotwell Street between 17th Street and 18th Street waving a large kitchen knife. Shortly after this broadcast, dispatch advised that the subject was walking back and forth, closer to 18th Street not waving the knife at anyone in particular. The knife was described as having a 10-12 inch blade.

At 0959 hours, Officer Mellone #4249 (3D11A) responded code 3 as a solo officer to this call for service. Sergeant Kaprosch (3D140) immediately acknowledged Officer Mellone's emergency response. At this time numerous other Mission District patrol units responded to this area to assist.

At 1000 hours, Officer Mellone arrived on scene and advised dispatch that he had an extended range impact weapon (E.R.I.W.). Upon arrival Officer Mellone canvassed the area and advised dispatch that Shotwell Street from 17th Street to 18th Street was clear and that he'd be checking beyond 18th Street.

Dispatch then advised PD units that the subject was possibly near the last tent on the block closer to 18th Street.

At 1002 hours Sergeant Steger advised dispatch that he was being directed to 18th Street by a HOT Team member. Officer Mellone then came over channel A-4 and called for a "Code-33" which alerted units responding and listening the radio traffic, to clear the channel and that he had an emergency. Officer Mellone advised dispatch that he was being challenged by one subject with a large kitchen knife. At 1004 hours Officer Mellone notified head quarters that shots had been fired midblock on Shotwell Street between 19th Street and 18th Street and that Officers are okay. Officer Mellone advised dispatch that several ERIW rounds had been deployed, the suspect did not go down and that the suspect charged at PD units with the knife in hand. Officer Mellone then reiterated this again to dispatch. Officer Mellone declared the scene as safe and immediately summoned for medical aid to respond to the scene. Officer Mellone requested units to assist with crime scene responsibilities and that dispatch make required notifications.

At 1006 hours Sergeant Aloise #1303 (3D170) established an Incident Command Post (ICP) at the intersection of 19th Street and Shotwell Street. Upon arrival at the scene Sergeant Aloise asked Officer Mellone and Sergeant Steger the "Public Safety Questions" off an (E7) SFPD 544 Card. Sergeant Aloise immediately removed the two from the scene upon asking these questions. Sergeant Aloise immediately took command of this incident; See Sergeant Aloise's attached typed statement.

Lt. Burke #2240(3D201) was notified of this incident and responded to the scene.

SFFD Medic 53, Engine 7, Battalion 6, Rescue Captain 2 and Rescue Captain 3 responded to the scene. Medic 53 then transported the wounded suspect to San Francisco General Hospital.
Officer Claudio #1623 arrived on scene and assisted cordoning off the area by setting up crime scene tape; see Officer Claudio's attached typed statement.

Officer Ortiz #1029 responded to the scene and canvassed the area for surveillance cameras that may have captured this incident on film. Officer Ortiz located several cameras and was able to contact the owner of one camera system. The owner, (RW1) [redacted], transposed footage from this incident to a USB drive which was then seized Lieutenant Edward Yu #2248 of the Homicide division. See Officer Ortiz's attached typed statement for further details regarding additional cameras.
Officer Lucchetti #1655 and Officer Cagonot #2023 (3C13A) responded from the Bay View District to assist with this incident. Upon arrival both Officer's established a crime scene on Shotwell Street north of the shooting just before 18th Street. Officer Lucchetti and Officer Cagonot completed a (E2) SFPD 28 Crime Scene Log Form for this area of

the crime scene. See both officers attached typed statements.

Officer Shah #2065 responded to assist along with Officer Hofmann and Officer Moilanen #2412. Officer Shah located two witness (RW2) [redacted] and [redacted]. See Officer Shah's typed statement for further details.

Officer Delgado and I (3D15C) arrived on scene at 1010 hours where we met with two witnesses to this incident, (RW3) [redacted] and (RW4) [redacted]. Officer Delgado interviewed both witnesses separately from one another and recorded his interview with his Department issued cell phone; see Officer Delgado's attached typed statement.

Officer Delgado took a photograph of [redacted] for she could not be positively identified at the scene. Officer Delgado later transposed the photographs and audio recordings to a (E1) compact disc which was later booked into evidence at Mission Station.

Officer Lockett #2381 and Officer Burkes #4066 responded to the scene and established a crime scene just south of the shooting on Shotwell Street just north of 19th Street. Officer Lockett began an (E2) SFPD 28 Crime Scene Log Form for this area.

Officer Stokes #4307 and Officer Ziegler #4306 (3D00) responded to the scene to assist with this incident. Officer Ziegler contacted a witness, (RW5) [redacted]. See Officer Ziegler's attached typed statement for interview details.

Officer Gerchaw #1574 and Officer McNichol #2444 (3C11A) responded from the Bay View District and assisted with this investigation. Officer Gerchaw located three witnesses to this incident; (RW6) [redacted], (RW8) [redacted] and (RW9) [redacted]. See Officer Gerchaw's typed attached statement.

Officer McNichol located one witness, (RW10) [redacted] who identified himself as a witness to this incident. See Officer McNichol's attached typed statement for further details. All interviews except that with [redacted] were recorded and transposed to a (E5) compact disc. Officer McNichol booked the compact disc into evidence at Mission Station.

I observed that the suspect, (S1) John Doe, was shot by police directly across from 452 Shotwell Street. I determined this after the fact based on blood evidence and clothing that was left at the scene.

Officer Cummins #4310 (3D75) responded to San Francisco General Hospital where he met with Dr. [redacted] who was the tending physician for John Doe. [redacted] Doe was then taken to the 4th floor where at 1242 hours he was pronounced deceased. Officer Cummins spoke to Medical Examiner McDonald #110 who stated that Doe's body would be seized by them once he was taken down to the morgue. It should be noted that the subject true identity could not be confirmed at the time of this incident therefore he is listed as "John Doe". See Officer Cummins attached typed statement for further.

Members of SFPD's Homicide Division responded to the scene. See attached SFPD 28 Crime Scene Log Form for further details.

Members of SFPD's Crime Scene Investigation's unit responded and processed the scene. See attached SFPD 28 Crime Scene Log Form for further details. CSI located a 2000 white (D1) Toyota Tacoma (Ca LP[redacted]) that sustained damage to the right rear tire. Officer Kunaboot #1273 towed the vehicle to Auto Return with a hold for CSI. Officer Kunaboot followed the vehicle to Auto Return where members of CSI took possession of the vehicle.

I contacted DOC, Officer Archini #1500, and advised him of this incident. I contacted CSI, Winnie, who advised me that CSI was initially notified by DOC after monitoring and hearing the incident on their police radio.

Officer Delgado booked all items of evidence at Mission Station.

On April 7, 2016 at approximately 1004 hours, my FTO, Officer Peralta #2450, and I were in full uniform at [redacted] for court administrative purposes when I heard an Officer-Involved-Shooting (OIS) involving a man with a knife over the radio. Officer Peralta and I left court and responded to the scene.

I arrived on scene at approximately 1010 hours and parked my vehicle at the intersection of 18th and Shotwell Streets. I immediately noticed that crime scene tape cordoned off southbound Shotwell Street at the south curb line of 18th Street. I entered the crime scene and provided my name to Officer Lucchetti #1655 who had established a crime scene log. I then assisted in detaining and interviewing witnesses along the west sidewalk of Shotwell Street.

I first spoke with (R/W3) [redacted], who stated that he had witnessed the incident. I advised [redacted] that I would be electronically recording the interview to which [redacted] consented. [redacted] stated that two officers, later identified as Sergeant Steger #2252, and Officer Mellone #4249, arrived on Shotwell Street and asked [redacted] if he had seen anyone with a knife. [redacted] responded stating that he had not, and at that point the Sergeant Steger and Officer Mellone saw the suspect sitting with a knife. [redacted] then stated that the Sergeant Steger and Officer Mellone ordered the suspect to drop his knife. [redacted] stated that the suspect then stood up with the knife at which point he was shot with the bean bag weapon twice by Officer Mellone and then shot 4-5 times with a handgun by Sergeant Steger. See the audio recording electronically attached to this report and copied to (E2) CD. [redacted]

On April 7, 2016 at approximately 1000 hours, Officer McNichol #2444 and I were on patrol (3C11A) when we responded as backup to a call of an officer involved shooting in the area of 19th and Shotwell Streets. Upon our arrival at the scene, Officer McNichol and I assisted in establishing a crime scene perimeter and then began contacting potential witnesses.

I first contacted (R/W6) [redacted] stated the following: he lives about a block away from the scene of the shooting. He was in the laundry area of his building getting his bike ready for work. The door to the laundry room was open to the outside. He suddenly heard "at least 6 shots." [redacted] estimated that the total time elapsed between the first shot and the final shot was "around 3 seconds, possible a little longer than that." [redacted] did not visualize the incident. Alden biked away from the scene prior to my taking a recorded statement.

Next contacted (R/W8) [redacted] Using Officer McNichol's department issued cell phone, I took a recorded interview of [redacted] at her place of [redacted]. It should be noted that this address backs onto Shotwell Street in the area of the incident [redacted] stated the following: she was working when she heard an "intense" conversation occurring outside in the street. She attempted to look out the window but was unable to see anything. She heard voices authoritatively telling someone to "get down" approximately three times and then stay where they were. She then heard a series of shots followed by a pause of a "couple of seconds" and then a series of "more rapid" shots fired in rapid succession. She estimated that the time elapsed from the first noise to the last noise was approximately ten to fifteen seconds. [redacted] stated that she never saw anything; she only heard the yelling and the loud noises. [redacted] stated that she was unaware of any video cameras that may have captured the incident.

I next contacted (R/W9) [redacted] Using Officer McNichol's department issued cell phone, I took a recorded interview of [redacted] during which stated the following: she was also working at [redacted] when she heard a "commotion" coming from the area of Shotwell Street. [redacted] heard raised voices that she could not understand followed by a series of loud noises which she associated with gunshots. [redacted] estimated that the series of shots lasted "a short amount of time" or a few seconds. [redacted] stated that she was unaware of the location of any video cameras that may have captured the incident.

Officer McNichol later copied the recorded interviews to a (E3) compact disc and booked (EXXX) as evidence at Bayview Station.

On Thursday, April 07, 2016 at approximately 1000 hours, Officer Stokes #4307 and I were in full police uniform driving a marked patrol vehicle assigned to Mission Station. At the listed time Mission units were dispatched to Shotwell Street at 17th Street regarding a male "waving a large kitchen knife."

Per dispatch the male waving the knife was described as a Latin male adult, approximately 30-40 years old, medium build, 5'8,"wearing: red soccer shirt, and blue jeans.

The 911 caller was a member of the Homeless Outreach Team (HOT) and described the subject as mentally disturbed.

Officer Mellone #4249 broadcast via pic that the subject was challenging them with a knife, subsequently Officers ployed the Extended Range Impact Weapon (ERIW/ Beanbag shotgun).

Officer Stokes and I responded as a cover unit. While en route officers broadcast via pic radio that shot had been fired.

Upon arrival, I saw a Latin male adult, (S1) John Doe lying on the east sidewalk near 453 Shotwell Street. John Doe appeared to be unconscious, bleeding heavily, and laying on his back on the sidewalk. Police and SFFD Medics were rendering aid on scene.

I approached a tent approximately 20 to 30 feet away from John Doe. The tent was occupied by one black male and one adult female. The adult male was a subject I recognized as (R/W3) [redacted]) from a prior incident. [redacted] exited the tent and I asked him what happened. [redacted] replied I don't want to talk to you and began to walk southbound on Shotwell Street. [redacted] sat down on the sidewalk approximately midblock on the 400 block of Shotwell Street. I asked the other occupant of the tent to come out. The adult black female, later identified as (R/W5) [redacted] told me "I ain't talking to you all" and began walking toward [redacted]

Officer Stokes placed our patrol vehicle at Shotwell Street at 18th Street to block vehicular traffic. Officer Stokes and I began setting up yellow crime scene tape to isolate an outer perimeter of the crime scene.

I again approached [redacted] again and she agreed to speak with me about the incident. The interview was audio recorded on my department issued cellphone. The following is a summary of the interview, rearranged for continuity.

[redacted] was in her tent when she was approached by San Francisco Police Officers who were searching for a ject with a knife. [redacted] told the officers it wasn't her or [redacted] did not see anything that happened but stated that she heard what happened. [redacted] stated that she heard Officers tell John Doe to stop and then she heard gunshots.

It should be noted that [redacted] was visibly upset during my interview with her and would cry intermittently.

[redacted] stated that John Doe wasn't doing anything and was only walking when he was shot [redacted]

CONFIDENTIAL

[redacted] did not know how many gunshots were fired and did not hear John Doe say anything during the incident.

It is unknown if [redacted] knew John Doe.

[redacted] identified herself verbally and her identity could not be further confirmed. I took on photograph of [redacted].

Refer to (E1) audio recording for further details.

Officer Stokes and I put up yellow crime scene tape around John Doe's tent and did not allow anyone to tamper with or remove anything from the tent so that it may be processed for anything of evidentiary value by CSI.

Officer Stokes and I remained on scene until the crime scene was broken down at approximately 1258 hours.

Officer Stokes burned a copy of the audio recording and photograph to a (E) CD which he gave to Officer Delgado #2415 who booked the CD at Mission Station as evidence.

On 04/07/2016 at approximately 1000 hours, I was responding to the area of 17th St and Shotwell St regarding a man with a knife. Other units had responded to the area, up to and including Sgt Steger #2252 and Ofc Mellone # 4249.

I heard Sgt Steger radio that he was being directed to the area of 18th St and Shotwell by a "HOT team member, regarding the man with the knife.

I then heard 3D11A (Ofc Mellone) call for a code 33 stating he was being "challenged by one with a large kitchen knife." I continued my response when I heard, "Shots Fired" from Sgt Steger. I also heard that several ERIW rounds had been deployed and the suspect did not go down and the suspect charged at officers with the knife. I arrived on scene shortly after.

ran to the mid-block of the 400 block of Shotwell which is in between 18th St and 19th St. There I noticed a male suspect lying on his back, with a large kitchen knife in his hand. Sgt Steger was attempting to administer aide to the suspect. I also noticed Sgt Steger had his foot on the suspect's hand that was still holding the knife. I then saw Ofc Perez #4183 remove the knife from the suspects hand for officer safety. The knife was moved a short distance away. Other officers arrived on scene and they helped administer aide to the suspect.

I set up a command post at 19th St and Shotwell St. There I directed officers to set up a crime scene and for an officer to start a crime scene log. I also directed other arriving units to canvass the area for potential witnesses and to find any surveillance video. I was relieved by Lt Burke #2240.

The crime scene was from 18th St and Shotwell to 20th St and Shotwell, from 19th St and South Van Ness Ave to 20th St and Folsom St., with an inner crime scene from 19th St and Shotwell to 18th St and Shotwell St.

I removed Sgt Steger and Ofc Mellone from the scene separating them. I asked them both the public safety statements, using SFPD card 544.

I asked Sgt Steger the public safety statements. Sgt Steger stated to me there was only one suspect. Sgt Steger stated that he used his department issued .40 caliber Sig Sauer. Sgt Steger stated he shot in a southern to westerly direction. Sgt Steger stated there were three witnesses to the incident and they were standing at the corner of 19th and Shotwell. Sgt Steger also stated there were potential witnesses inside a homeless encampment. I had Ofc Gerrans stand by with Sgt Steger and then transport him to Mission Station.

I asked Ofc Mellone the public safety statements. Ofc Mellone stated there was only one suspect and the crime scene was mid-block on Shotwell St. Ofc Mellone described witnesses at the homeless encampment next to the crime scene. Ofc Mellone also stated there were witnesses at the corner of 19th St and Shotwell. I had Ofc Medina stand by with Ofc Mellone and then transport him to Mission Station.

The potential witnesses were transported to Mission Station. Other witnesses that saw the incident refused to give us their names or what they witnessed.

At approximately 1315 hours, the crime scene taken down and the command post was deactivated.
